Global Aperitivos

Aperitivos have taken the world by storm, and during that golden hour between the end of the work day and the start of a great meal, every country has their own way of 'opening the appetite'. We take you around the globe to taste a selection of signature aperitivos we have created inspired by their respective countries.

Global Aperitivos

BAUR'S SPRITZ (Italy & France) 23

Campari, Mountain Spring grapefruit, honey, champagne

The origins of the spritz lie in the connection between the Austrian Empire and Venice, with the Italians adding a splash of bitters to the already popular 'spritzer'. We reclaim the drink to central Europe by using a delicious Campari and fine champagne

RUBIS SOUR (France) 21

Citadelle gin, Pampelle aperitif, Baur au Lac honey, Dolin Blanc vermouth
lemon juice, egg white, currants

No strangers to an 'apero', we dedicate this fluffy sour to the French, using their finest gin distilled in Cognac and a vibrant and tart grapefruit aperitif.

EDIGRONI (Scotland) 21

Gin, Campari, Amaro Montenegro, Jsotta and Punt e Mes Rosso
vermouth blend

Another surprising place to enjoy an aperitif is Edinburgh, where we combine a fine example of their booming gin industry with their love of Montenegro for a floral and spicy take on the classic Negroni.

THE SCOTSMAN  26

Johnny Walker Black Label, Philipponnat Champagne, raspberries, blueberries
Baur au Lac Honey

THE ICEMAN  20

Korskenkova Vodka, Noilly Prat, in-house made bitters

Highballs

Although the popular conception is that classic cocktails are usually served bracingly strong and short in an iconic martini glass or in a big whisky tumbler, the fact remains that throughout the centuries long, refreshing mixed drinks have ruled the roost. Like almost all classic cocktails, highballs are deceptively simple, and when done well – with the exactly right precisely measured proportions, a focus on quality ingredients and ice (cut in Switzerland), in exactly the right glass (we import ours from Japan), and simple garnishes that compliment the drink when necessary – they

Highballs

MIZUWARI

Nikka From The Barrel whisky, binchōtan soda

21

The Japanese kick-started a re-interest in the highball category decades ago, with their globally-famous cocktail bars showing the world how a simple whisky and soda can be elevated to the greatest heights with simple and precise attention to detail. Our version is perfectly proportioned with a powerful award-winning Japanese whisky and our house-carbonated soda water filtered through Japanese charcoal.

BAUR'S G&T

William Morris gin, Swiss Mountain Spring rosemary tonic, currants

19

After days of research and testing, we have come up with what we believe to be the perfect 100% Swiss gin and tonic, with an award-winning alpine-fresh gin, herbaceous tonic and tart berries.

PALOMA

Jose Cuervo traditional tequila, lime, Swiss Mountain Spring salted grapefruit

22

The first of two criminally overlooked long tequila highballs, this thirst quenching 'Dove' was created by the legendary ordained Don Javier Delgado Corona in his small bar with no name referred to simply as „The Chapel“.

SCOTCH & GINGER

Naked Grouse Scotch, Swiss Mountain Spring ginger ale, lemon horse's neck

19

For our take on this classic flavour combination we are using a great sherried blend with a new spiced ginger ale and a whole zesty twist of lemon.

EL DIABLO

Jose Cuervo traditional tequila, cassis, lime, Swiss Mountain Spring ginger beer

22

Unusually for a tequila drink, this became something of a mainstay in Tiki bars in the late 1940s onwards. 'The Devil' has it's fiery ginger beer tamed by lime and a touch of blackcurrant liqueur.

DARK 'N' STORMY

Gosling's Black Seal rum, lime juice squeezed to order, Swiss Mountain Spring ginger beer

19

A favourite not just in Bermuda but for bartenders the world over due to the perfect combination of sweet, tropical notes from this classic dark rum and spicy ginger beer, said to be the colour of a cloud 'only a fool or a dead man would sail under'.

Digestives

Nothing seals a meal like a splash of something stiff and strong. We have created three stiff tipples to take time over enjoying at the end of the night, perhaps with a cigar.

SMOKY OLD FASHIONED

20

Laphroaig Quarter Cask single malt, Johnnie Walker Black Label Scotch, Baur au Lac honey, Jerry Thomas' Own Decanter bitters

A blend of a smoky single malt and a smoky belnded Scotch (both exceptional multiple award winners) with a touch of our very own honey and bitters give this Old Fashioned a moody whisper of smoke.

EAST INDIA COCKTAIL #3

22

Lheraud VSOP cognac, Cointreau, Maraschino, Monin bitter syrup, Alpine tincture

Our take on a vintage classic, this cognac-based nightcap is a perfect blend of austere fruitiness, bitter and dry notes and a hint of Alpine herb.

MEZCAL MANHATTAN

20

100% agave mezcal, Jsotta Rosé vermouth, Swiss kirsch, chocolate bitters

A twist on the much-loved classic, we replace the usual American whiskey with the trendy smoky father of tequila, mezcal and add hints of chocolate and cherry.

Gently Twisted Classics

Although we are happy to make any classic that we have ingredients to hand for, we suggest that you select from our menu of classics, where we have just added the tiniest hint of something extra in each one that you'll only find in our bar...
