Global Aperitifs

Aperitifs have taken the world by storm, and during that golden hour between the end of the work day and the start of a great meal, every country has their own way of 'opening the appetite'. We take you around the globe to taste a selection of signature aperitifs we have created inspired by their respective countries.

Global Aperitifs

BAUR'S SPRITZ (Italy & France) 23

The origins of the spritz lie in the connection between the Austrian Empire and Venice, with the Italians adding a splash of bitters to the already popular 'spritzer'. We reclaim the drink to central Europe by using a delicious Campari and fine Champagne.

EDIGRONI (Scotland) 21

Another surprising place to enjoy an aperitif is Edinburgh, where we combine a fine example of their booming gin industry with their love of Montenegro for a floral and spicy take on the classic Negroni.

MANDARIN SPRITZ (Italy) 19

Combining typical Italian flavors, this fruity drink is low ABV and therefore a perfect first drink to start the night.

GARIBALDI 2.0 (Italy) 19

A fascinating fusion of contrasting flavors: Campari's luxurious bittersweetness is accompanied by orange and chocolate.

THE SCOTSMAN

26

*Johnny Walker Black Label, Philipponnat Champagne, raspberries, blueberries
Baur au Lac Honey.*

THE ICEMAN

20

Korskenkova Vodka, Noilly Prat, in-house made bitters.

Highballs

Although the popular conception is that classic cocktails are usually served bracingly strong and short in an iconic martini glass or in a big whisky tumbler, the fact remains that throughout the centuries, long refreshing mixed drinks have ruled the roost. Like almost all classic cocktails, highballs are deceptively simple, and when done well – with precisely measured proportions, a focus on quality ingredients and ice (cut in Switzerland), in the correct glass (we import ours from Japan), and simple garnishes that compliment the drink when necessary – they are a thing of beauty.

Highballs

KING OF WALES

450

A drink for Kings and Queens: prestigious Louis XIII Cognac with orange liqueur and Champagne Dom Pérignon Vintage 2013.

BAUR'S G&T

19

After days of research and testing, we have come up with what we believe to be the perfect 100% Swiss gin and tonic, with an award-winning alpine-fresh gin, herbaceous tonic and tart berries.

PALOMA

22

The first of two criminally overlooked long tequila highballs, this thirst quenching 'Dove' was created by the legendary ordained Don Javier Delgado Corona in his small bar with no name referred to simply as „The Chapel“.

APPLE MULE

22

Our French inspired take on the Moscow Mule is appropriate for any time of the day.

EL DIABLO

22

Unusually for a tequila drink, this became something of a mainstay in Tiki bars in the late 1940's onwards. 'The Devil' has it's fiery ginger beer tamed by lime and a touch of black-currant liqueur.

DARK 'N' STORMY

19

A favourite not just in Bermuda but for bartenders the world over due to the perfect combination of sweet, tropical notes from this classic dark rum and spicy ginger beer, said to be the colour of a cloud 'only a fool or a dead man would sail under'.

Digestives

Nothing seals a meal like a splash of something stiff and strong. We have created three stiff tipples to take time over enjoying at the end of the night, perhaps with a cigar.

SMOKY OLD FASHIONED

20

A blend of a smoky single malt and a smoky blended Scotch (both exceptional multiple award winners) with a touch of our very own honey and bitters give this Old Fashioned a moody whisper of smoke.

BENTON'S OLD FASHIONED

19

The classic Old Fashioned with the unmistakable essence of well-cooked bacon, complementing the whisky's sweetness with a gentle smokiness and a hint of umami.

ALPINE DELIGHT

19

Liquid dessert with homemade chocolate ice cream and Swiss Kirsch.

Gently Twisted Classics

Although we are happy to make any classic that we have ingredients to hand for, we suggest that you select from our menu of classics, where we have just added the tiniest hint of something extra in each one that you'll only find in our bar...
