Global Aperitifs

Aperitifs have taken the world by storm, and during that golden hour between the end of the work day and the start of a great meal, every country has their own way of 'opening the appetite'. We take you around the globe to taste a selection of signature aperitifs we have created inspired by their respective countries.

BAUR'S SPRITZ (Italy & France)

23

The origins of the spritz lie in the connection between the Austrian Empire and Venice, with the Italians adding a splash of bitters to the already popular 'spritzer'. We reclaim the drink to central Europe by using a delicious Campari and fine Champagne.

EDIGRONI (Scotland)

21

Another surprising place to enjoy an aperitif is Edinburgh, where we combine a fine example of their booming gin industry with their love of Montenegro for a floral and spicy take on the classic Negroni.

ETSU (Japan)

22

A zesty blend of grapefruit juice and yuzu as a base. Floating above is a striking green layer of matcha and Japanese gin. Refreshing, aromatic, and visually stunning.

BLACKBERRY WAY (Italy)

22

Silky, layered, expertly stirred; Italian tradition meets subtle fiery spice.

THE SCOTSMAN

26

*Johnny Walker Black Label, Philipponnat Champagne, raspberries, blueberries
Baur au Lac Honey.*

THE ICEMAN

20

Koskenkorva Vodka, Noilly Prat, in-house made bitters.

Highballs

Although the popular perception is that classic cocktails are usually served bracingly strong and short in an iconic martini glass or large whisky tumbler, the fact remains that long, refreshing mixed drinks have ruled the roost for centuries.

Like almost all classic cocktails, highballs are deceptively simple, and when done well - with precisely measured proportions, a focus on quality ingredients and ice (cut in Switzerland), in the right glass (we import ours from Japan) - they can be a real treat, and with simple garnishes to complement the drink where appropriate, they are a thing of beauty.

LAST SPRITZ

19

Crisp and sophisticated, with luminous citrus notes and an enduring herbal finish.

BAUR'S G&T

22

After days of testing, we've crafted the perfect 100% Swiss G&T—alpine-fresh gin, herbaceous tonic, and tart berries.

PALOMA

22

The first of two criminally overlooked long tequila highballs, this thirst quenching 'Dove' was created by the legendary ordained Don Javier Delgado Corona in his small bar with no name referred to simply as „The Chapel“.

WHISKY SUNRISE

19

Elegant, silken, finely shaken; distinguished whisky and noble cherry liqueur.

EL DIABLO

22

Unusually for a tequila drink, this became something of a mainstay in Tiki bars from the late 1940's onwards. 'The Devil' has it's fiery ginger beer tamed by lime and a touch of blackcurrant liqueur.

DARK 'N' STORMY

19

A favourite not just in Bermuda but for bartenders the world over due to the perfect combination of sweet, tropical notes from this classic dark rum and spicy ginger beer, said to be the colour of a cloud 'only a fool or a dead man would sail under'.

Easy does it

Light in alcohol yet rich in character, our Low-ABV selection delivers vibrant flavours with refined balance. Designed for leisurely enjoyment, these cocktails are as refreshing as they are indulgent.
